Dear Trip Participant,

Welcome to the iam1ru team!

Please use the enclosed fundraising cards to do two things...

#1 - Raise your personal trip funds.

#2 - Raise project funds that the team will use to impact the hurting, helpless and hopeless.

These cards will also direct donors to your online profile where they can donate.

Please be sure if cheques are written or cash is given that the donors full address is written on back of the card as that helps us issue them a tax receipt.

A small fundraising tip?

People will not get excited about your trip unless you are excited. Talk it up wherever you go. Talk about how much you are looking forward to helping people.

Again....welcome to the team.

If you have any further questions please feel free to call the office (519.577.2389) or email us. trips@iam1ru.com
